.....

Featured at this year's LST Week:

LCVP and LST Rides

The German Fest - An annual event in Evansville featuring German food and a beer garden. It's just for fun.

MVPA – The MVPA will also hold their convention at the Vanderburgh Fairgrounds in Evansville at the same time as the LST Week. You will have the opportunity to see hundreds of restored military vehicles from WWI, WWII, Korea, Vietnam and Iraq. Visit exhibits and numerous vendors with military memorabilia including pins, caps, parts, etc. It's quite a show!

LST Banquet – We were fortunate in scheduling **Gary Griesser** as our speaker for the banquet. He is a commanding public speaker, inspiring audiences throughout America for over 25 years. Gary masterfully blends story, song, and humor to take his listeners on a journey they'll never forget. You won't want to miss this!

Following the Banquet and speaker is the dance with the "Templeaires". They are the fantastic group that played for us last year.
